## The Secret World of Vernal Pools

Tuesday, February 26, 3:30-4:30  
For kids in grades K-2 at Weaver Library

Each spring, mysterious pools of water appear in the forest, and then vanish by late summer. These temporary wetlands provide essential habitat for wood frogs, spotted salamanders, insects, and even a species of shrimp! In this program, you'll learn about vernal pool critters, play a fun amphibian-themed game, and take home your very own salamander craft!

Call 401-434-2453  
to register.
